Keshav Bagri worked as an intern for a duration of three months at AMIDC Automation Technologies Pvt. Ltd., Bangalore, during November, 2020 - January, 2021.

As an intern Keshav worked on 'Simultaneous localization and mapping using particle filters'.

We wish him well in his studies and projects.

Regards,

A handwritten signature in black ink that reads 'Naveen' with a horizontal line underneath and two small circles below the line.
